INDIAN TRIBE OF MICHIGAN

ORDINANCE 11

ON-RESERVATION HUNTING,
FISHING AND GATHERING

Amended by Resolution 17-158
Approved September 6, 2017

ORDINANCE 11

ON-RESERVATION HUNTING, FISHING AND GATHERING

SECTION 101.

- (A) Jurisdiction over all matters arising under this Ordinance shall be with the Tribal Community Court which shall adjudicate in accordance with this Ordinance all questions, complaints and alleged violations involving this Ordinance.
- (B) The Chief Judge, Associate Judge, or Magistrate, of the Tribal Court shall also have the authority to issue warrants for search and seizure of the premises and property of any person under the jurisdiction of said court, however, a search warrant shall only be issued consistent with the requirements of Chapter 1.8 of Title I of the Tribal Code.

SECTION 102. CONSERVATION COMMITTEE AND PLANNING DEPARTMENT.

SUBDIVISION 1. The Tribal Council for the Saginaw Chippewa Indian Tribe of Michigan, hereby creates and establishes a Conservation Committee, which shall be charged with assisting the Planning Department, and the Tribal Council in the management, preservation, protection and regulation of the taking and gathering of the fish, game, wild rice, natural and woodland resources of the Saginaw Chippewa Indian Tribe's Isabella Reservation and those lands which are held by the United States of America in trust for the benefit of the Tribe and are designated as open for hunting, fishing and gathering by the Tribal Council, provided that the lakes owned by the Tribe in Section 12 of Union Township, Isabella County, Michigan shall not be regulated by this Ordinance but shall be regulated by policies established by the Migizi Economic Development Company.

SUBDIVISION 2. Regular Voting Members.

The Conservation Committee shall consist of six (6) members, who shall be adult enrolled members of the Saginaw Chippewa Indian Tribe, appointed for a term of two years. The Tribal Council shall make all appointments to the Conservation Committee. These six (6) Conservation Committee Members shall be its only voting members.

SUBDIVISION 3. Duties and Responsibilities.

The Conservation Committee derives its authority from the Tribal Council by way of this Ordinance. The Conservation Committee will operate consistently with the by-laws approved by Tribal Council. The Conservation Committee, with

the Tribal Planning Department, shall perform all duties and responsibilities as defined by this Ordinance including, but not limited to:

- (A) Development of a system for the issuance of all licenses, permits, tags, markers, and for the development of a record keeping system. The Planning Department will issue all licenses, permits, tags and markers and will be responsible for record keeping and for keeping the Tribal Council informed with regular reports.
- (B) The Conservation Committee shall recommend to the Tribal Council and the Planning Department: means, manner and limitations on harvesting resources, where none are specifically provided herein; bag limits, where none are specifically provided herein; seasons, where none are specifically provided; closing or shortening existing seasons, when necessary for the well-being of the resource, and; extending or opening seasons, after a determination that such an act will not cause substantial harm to the resource.
- (C) Annually review factors such as shortages or abundance of a resource to determine the numbers and types of permits which may be issued.
- (D) The Planning Department may maintain relationships and communication with tribal, state and federal agencies to facilitate cooperation in the enforcement of respective game laws and other mutual concerns.
- (E) The Planning Department may consult with private groups, tribal, state, local and federal governments concerning the establishment of Natural Resource Conservation Programs which have sound biological, ecological, environmental and economic basis.
- (F) Propose to the Tribal Council and, upon their approval, take necessary steps to initiate and implement aspects of a Natural Resource Conservation Program, and a Conservation Fund.
- (G) Recommend to the Tribal Council, disbursements and expenditures from the Conservation Fund so that the funds may be expended and disbursed for purposes which are reasonable and necessary to the implementation of activities and operations governed by this Ordinance.
- (H) With receipt of proper application, the Planning Department will recommend to the Tribal Council that a Conservation Officer or other designated individual take whatever fish or game necessary for feasts, ceremonies, senior citizens or handicapped Tribal members.

Licenses issued pursuant to this section must comply with any permit or tag requirement as specified in this Ordinance, but will not be charged for such permits or tags.
- (D) An "Other Indian" who has reached his/her 50th birthday will be eligible for a free license for all hunting, fishing, trapping and gathering, within the defined or open seasons, as provided for in this Ordinance. Licenses issued pursuant to this subsection must comply with any permit or tag requirement as specified in this Ordinance. Licenses issued pursuant to this subsection shall be valid for a period of one year.
- (E) A permit, in addition to a license, may be issued to a handicapped or disabled Tribal member or eligible Other Indian person. Said permit must be supported by documentation capable of authentication that meets the satisfaction of the Planning Department.

SUBDIVISION 10. Penalties.

- (A) Unless otherwise provided in this Ordinance, violation of any sections of this Ordinance or the rules, regulations or Orders promulgated under this Ordinance shall be prosecuted consistent with the procedures provided in Title I of the Tribal Code.

Unless otherwise provided in this Ordinance, any person convicted of violating any of the sections of this Ordinance or the rules, regulations or Orders promulgated under this Ordinance, may be imprisoned for a period not to exceed ninety three (93) days and shall be subject to a fine not to exceed one thousand (\$1,000.00) dollars per violation exclusive of costs and in the discretion to the Court may be subject to both such imprisonment, costs and fine, provided that if a person is convicted of three or more separate violations over a five year period, said person shall be deemed a "habitual offender" and after their third conviction and each conviction thereafter, they may be imprisoned for a period not to exceed

one (1) year and shall be subject to a fine not to exceed five thousand (\$5,000.00) dollars.

Any person convicted of violating this Ordinance or the rules, regulations and Orders promulgated under this Ordinance, and said violation concerns a federally protected or regulated species, said violator may be imprisoned for a period not to exceed one (1) year and shall be subject to a fine not to exceed five thousand (\$5,000.00) dollars.

Any hunting, fishing, trapping, or gathering equipment or paraphernalia in the possession or under the control of any person convicted of any such offense may be permanently confiscated and used for the benefit of the Saginaw Chippewa Indian Tribe of Michigan, or sold by the Tribal Police Department. Any revenue generated from the sale of said confiscated hunting, fishing, trapping, or gathering equipment shall be paid to the Tribal Planning Department.

Further, and in the discretion of the Court, the hunting, fishing, and gathering privileges of any such offender may be temporary suspended or permanently revoked.

- (B) In addition, at the Court's discretion, any fish, game, wild rice or furs, taken, may be seized and impounded by Order of the Court.
- (C) The Court may also, in its discretion, and in addition to the above penalties, issue an Order to invoke any other equitable remedies, including, but not limited to, reasonable Court costs; the withholding of Court-ordered fines from income derived from the Reservation upon notice to the Tribe's Payroll or Per-Capita Department; withholding of Court-ordered fines from winnings derived from gaming at a Reservation-controlled gaming establishment upon notice to the Tribe's gaming facility and restitution for the value of the species killed, injured or possessed in violation of this Ordinance.
- (D) The Court shall prescribe and initiate procedures for the sale of any property ordered forfeited.

SECTION 105. BIG GAME.

SUBDIVISION 1. Every Tribal member, or eligible Other Indian, 10 years of age or older, who takes, or attempts to take big game on Open Lands shall have in his/her possession a valid license and appropriate big game carcass tag. Tribal members, or eligible Other Indians, under the age of 14 shall not use a firearm to take, or attempt to take big game, unless hunting for wild turkey with a shotgun or muzzle-loading shotgun as provided in this Ordinance during the established season.

SUBDIVISION 2.

- (B) Tribal members, or eligible Other Indians, under fourteen (14) years of age must be accompanied by a licensed parent or guardian. "Accompanied by" requires the adult to be able to come to the immediate aid of the individual which allows for uninterrupted, unaided visual and verbal contact.

SUBDIVISION 3. Any licensed hunter over the age of 50, or handicapped, or disabled persons as defined by this Ordinance, may have another licensed hunter hunt for him. This assignment of privilege is limited to deer only. The Planning Department must be notified in writing at the time of the issuance of the license and the writing must identify the designated hunter.

SUBDIVISION 4. Tags will be issued with each big game permit and will have a corresponding number. Each animal must have the proper tag affixed so that the tag cannot be removed without breaking the tag. The tag must be affixed at the time the animal is brought to any dwelling, camp, or other abode, or before being placed on any motor vehicle.

SUBDIVISION 5.

- (A) The Planning Department shall establish and maintain stations for the purpose of recording and preserving the following information: sex of animal taken, management unit from where the animal was taken, and any other relevant information necessary for conservation enforcement or population management.
- (B) All big game animals must be registered no later than 4:30 p.m. of the third business day after the animal has been taken.
- (C) Every person taking a big game animal must retain the license, that make it legal to possess said big game animal so long as any part of the meat is in possession.
- (D) In the event that the big game animal, or any significant part thereof is a gift, the person receiving the gift shall retain a statement from the licensee making the gift. The statement will include the license and tag number, address and signature of said licensee.

SUBDIVISION 6.

- (A) Except as provided herein, the establishment of any seasons for the taking of any big game animal shall be permitted only by the written order of the Planning Department.
- (B) Orders, announcing the opening of a season, will be publicly posted a minimum of fourteen (14) days before the advent of the season.
- (C) In the event of an extended season, the Order shall be posted publicly a minimum of fourteen (14) days prior to the closing of the present season.

SUBDIVISION 7.

It shall be unlawful to throw or cast the rays of any artificial light for the purpose of spotting or locating any big game between 11pm and 6am; provided that an artificial light may be used from November 1 to November 30 on property you own or property owned by a member of your immediate family if you do not have in your possession or control a bow and arrow, firearm, or other device capable of shooting a projectile. A person may not throw or cast the rays of any artificial light at any time for the purpose of spotting and locating any big game or small game while possessing, either individually or as one of a group, a firearm, bow, or other implement that could be used to kill big or small game.
